PRODUCT DESCRIPTION

Aztec Plumbing Wax rings are made with a special blend of petroleum waxes to make a perfect seal between your toilet bowl and the floor drain. They fit 3" and 4" waste lines. Meets Fed. Spec. A-A-3110

PHYSICAL AND CHEMICAL PROPERTIES

Specific gravity	0.742 – 0.873
Melting point	158 - 203
Shelf life	1 year from manufacture date
Solubility in water	Insoluble
Odor	Mild petroleum

DIRECTIONS FOR USE

- Make sure that the wax ring is at room temperature (about 70° F).
- Remove wax ring of the wrapping.
- Place the wax ring firmly around the discharge opening and press to assure adhesion to the toilet.
- Gently twist to spread the wax and make a perfect seal.
- Tight the bolts carefully to prevent cracking or breaking the toilet bowl.
